

Nomination to Committee membership 2021-22

Thank you for your interest in the Institution of Civil Engineers' Yorkshire and Humber Committee. Please find below some more detail to help when submitting a nomination.

The Committee is collectively responsible for running ICE in the Region. The aims of the Region and the structure of the Committee are laid down in the Constitution, some extracts from which are below.

The object of the Region is to support the professional development of civil engineers and potential civil engineers by various means, including seminars, conferences, visits, meetings of a professional nature and informal discussions; to grow the membership in order to ensure the promotion and development of civil engineering and the Institution; to offer awards or prizes in recognition of achievement, excellence or innovation in civil engineering or for promoting the work of the Civil Engineer; to work with local and regional government and other bodies and agencies to support the sustainable development of the Yorkshire and Humber Region; to promote, develop and expand the public perception of the role, duties and achievements of Civil Engineers.

The Committee shall be responsible for directing the affairs of ICE Yorkshire and Humber. All members of the Committee shall be members of ICE Yorkshire and Humber and every member will have a defined role. The Committee shall aim, as far as may be practicable, for its membership to be proportionately representative of the Region and the various grades of professionally-qualified members of the Region. All members of the Committee shall attend all Committee meetings except where not reasonably practicable.

Seven members, each of whom is either a Corporate Member a Technician Member an Associate Member or Fellow, are to be elected by the membership, normally for a three-year term. Each elected member will be assigned a specific responsibility by the Committee. Other members of the Committee will be a Chair, two Vice-Chairs, a Secretary, a Treasurer, one past Chair, the Regional Member of Council, a representative of the Graduates' and Students' Committee and the Regional Director. Other people may be co-opted.

The membership will be informed, via the website, of all those who have been nominated and a ballot (if necessary) will be held at the AGM on 15 July. Written votes (sent by post or email) will also be allowed. Information posted on the website will be your name, sponsors' names, your statement and a photograph of you.

A nomination form follows. We very much hope that you will seriously consider this and we look forward to receiving the completed form.
