Established in 1818 in London, the Institution of Civil Engineers (ICE) is the first professional engineering body in the world. Since obtaining its Royal Charter in 1828, it has expanded considerably and now has more than 95,000 members across the world.

## ICE UAE Emerging Engineers Award Final 2023

The Emerging Engineers Award promotes and recognizes exceptional research, innovation, and presentation among ICE Student and Graduate members globally and in the UAE.

Participation provides valuable experience in written and verbal communication, ideal preparation for vivas or professional evaluations.

The top entrants, who are selected by expert judges, will present their work and compete for prizes at the Regional Final. The regional winners will receive recognition for themselves, their academic institution or employer, with opportunities for publication and award of prizes. The winner will be eligible for the 2023 Emerging Engineers Award Global Final, which will take place at ICE's Headquarters in London, with additional cash prizes and the highly coveted Institution Medal for the worldwide winner.

### **Finalists:**

- **Rippendeeep Kaur Sra** – Graduate, Cando Real Estate Broker LLC Dubai – 'Integrating blockchain technology with the BIM model for facilitating the payment certificate'
- **Reuben Mathew Ajit** – Student, Heriot-Watt University Dubai – 'Exploring Sustainable Alternatives to Conventional Concrete: A Focus on the Environmental Impacts and Potential of Eggshell Waste Materials'
- **Jainey Ram Erum** – Student, University of Bolton RAK – 'Assessing the Effective Incorporation of Circular Economy Principles in the UAE Construction Sector'
- **Hana Engida** – Student, Heriot-Watt University Dubai, UAE – 'Low energy Schools design - "For pupil" Prompt'

### **Prizes for the UAE region:**

- 1st Prize: **AED 2,500**
- 2nd Prize: **AED 1,000**
- 3rd Prize: **AED 750**

### **Attending the Emerging Engineers Regional Final offers you the opportunity to:**

- Stay informed about the latest engineering developments.
- Assess the finalists' knowledge and expertise.
- Enhance your Continuing Professional Development (CPD) record.
