G&S: mock CPR workshops 2026

About mock CPR workshops 2026

ICE HKA G&S will organise two **full-length** mock Chartered Professional Review (CPR) workshops designed to replicate the actual CPR experience. Experienced facilitators will evaluate candidates' performance and provide constructive feedback to participants. To ensure quality delivery, each session is limited to 27, including two candidates and 25 observers. The workshop will cover the entire review process, enabling participants to develop a thorough understanding of the practical skills required for the CPR.

Candidates are required to submit their Professional Review reports, including a two-page CV and appendices. To fully align with the current CPR arrangements, the presentation will last for 15 minutes, followed by maximum of 60 minutes interview with the facilitators. Feedback for the candidate will then be provided by the facilitators.

Observers will spectate the presentation and interview. They are also welcome to raise questions in the Q&A session.

Registration deadline
16 November 2026

SCAN ME!

Date and time

21 November 2026 (Saturday), 13.00 – 17.00 (HKT)
12 December 2026 (Saturday), 13.00 – 17.00 (HKT)

Venue

The Hong Kong Management Association, Causeway Bay

Fees

Candidate: HKD 100 (Graduate or Student Member)
HKD 150 (non-Graduate or Student Member)
Observer: HKD 200 (Graduate or Student Member)
HKD 250 (non-Graduate or Student Member)

Application

Applicants who are ICE Graduate or Student Members and will take their CPR in February 2027 will be given higher priority. Based on the order of priority, applicants will be allocated on a first-come, first-served basis. Successful applicants will receive a notification email on how to proceed with payment. Shortlisted candidates will be separately informed to submit their Professional Review reports, by a specified deadline, failing which their applications may lapse.
